

The WhatsApp Goldmine

Automating Sales Conversations Where South Africa Lives.

01

Unlock the Direct Line

96% of South Africans use WhatsApp. Is your business treating it like a chat app or a sales channel?

Move beyond manual replies and unlock the power of automated conversational commerce. Meet your customers where they already are, instantly.

- ✓ **Automated Bookings:** Schedule appointments and reminders without lifting a finger.
- ✓ **High Open Rates:** Send personalized offers that get opened (98% vs email's 20%).
- ✓ **Instant FAQs:** Answer common questions instantly, freeing staff for complex issues.
- ✓ **Lead Database:** Build a list you own, independent of social media algorithms.

blockquote { "Turn the nation's favorite app into your most powerful sales engine."
